DONATED CELL PHONES AVAILABLE TO SENIOR CITIZENS

Deptford Twp. - As technology and incentive packages for cell phone users are continuously upgraded by cell phone companies to encourage the purchase of new phones, old cell phones can still be put to use. The Senior Corps/RSVP 911 cell phone program accepts donated cell phones and makes them available to disabled and senior residents of Gloucester County.

The Senior Corps/RSVP program, headquartered at Gloucester County College, is offering disabled and senior citizens in Gloucester County free cell phones to use for emergency situations while in your car or at home. No service is required, the 911 calls are free, and the phones are easy to use with step-by-step directions.

For more information or an appointment to pick up a cell phone, please call the RSVP office at 856-468-1742.

GCC's 250-acre campus is located on Tanyard Road in Deptford, just off Exit 56 of Route 55.
