 **Apply up to 25 Technical Credits, as per Articulation Agreement:	 25
 <u>TOTAL MINIMUM CREDITS:</u>	 66

* **Technical electives may be selected from any of the following areas:**

Business Studies--BUS; Computer Science--CSC; Civil Engineering Technology--CET; Drafting and Design--DFT; Computer Information Systems--CIS; Computer Graphic Arts---CGA; Engineering Science---ENR; **Uniform Construction Code—UCC.**

** **Technical Studies Credits** will be awarded for military or apprenticeship training programs in the building and construction trades, based upon the American Council on Education (ACE) review and evaluation of the program and their recommendations for awarding academic credit for successful completion of those programs. These credits will be placed on the student's transcript when documentation of satisfactory completion is presented by an official of the apprenticeship program and after the student matriculates into a degree program, and has completed 25 credits of course work at Gloucester County College. From 3 to 25 credits may be awarded for successful completion of the apprenticeship programs, and will be awarded based upon ACE review and recommendations. Students with less than 25 credits may select credits from the Technical electives listed above.
