The Roadrunners had a tremendous year and the awards keep coming in June. This time it is for academic achievement by GCC student-athletes. The Roadrunners placed ten student-athletes on the Academic All-American list for 2009-10. In order to make the Academic All-American list a student-athlete needs to maintain a 3.60-3.79 GPA over at least three full-time semesters. Student-athletes who achieve a 3.80-4.0 GPA are named Distinguished Academic All-Americans. The Roadrunners also had three teams on the list for Academic Team of the Year by achieving a 3.0 GPA or better during the 2009-10 year. They were Softball, Women's Tennis and Women's Outdoor Track and Field.
