Fall Sports Schedules Released

August 1, 2009

The women's tennis team (pictured - right) will look to return to the NJCAA National Championships this season but will face some tough tests this fall. The Roadrunners return four sophomores with experience from the national tournament including fifth singles national champion, Ali Crozier - a graduate of Delsea Regional HS. The team will open play in September against two Div. I junior colleges from Maryland (Cecil CC and Harford CC) and other tough out of conferences matches include West Chester University and Hagerstown CC who defeated the Roadrunners last season. GCC will host the region championship tournament on October 24-25. [View schedule online...](#)

Women's Tennis

The men's and women's cross country teams will look to continue their success from a year ago and will also be hosting the region championships this fall at GCC on October 24. Both teams open their season on September 5 at the annual Dukes Invitational hosted by Cumberland CC. A highlight each year is the race at Belmont Plateau in PA which will this year be held on October 3rd. The national championship meet will be held this year on November 6-7 in Canandaigua, NY and hosted by Finger Lakes CC. [View schedule online...](#)

Men's/Women's Cross Country

The women's soccer team returns leading scorer Jael Fedora and a host of new players will look to improve upon a first round loss in last season's Region XIX Tournament. The schedule is loaded with competitive matches starting September 3rd with a trip to Anne Arundel CC in Maryland. The Region Tournament will begin October 24th and conclude October 31st. The national championship will be hosted once again in Herkimer, NY by Herkimer CC. [View schedule online...](#)

The men's soccer team will begin the second season under coach Alan Smith with a talented crop of freshman and returning nucleus led by soph Shehab Uddin. The men open on September 1 with a home contest against Salem CC. On Tuesday September 15 they will face Brookdale CC in a home match that could tell us a lot about the talent level of this seasons team. The Region Tournament will begin October 25th and conclude October 31st. The national championship will be hosted once again in Herkimer, NY by Herkimer CC. [View schedule online...](#)
