Men's Soccer Defeats Salem CC 2-1

September 14, 2010 Carney's Point, NJ

The Roadrunner men's soccer team improved to 2-3-1 on Tuesday afternoon with an exciting 2-1 win over host Salem CC. The Roadrunners are now 2-3-1 overall and are off until Saturday when they will face Sussex CC at noon at Gloucester County College.

On Tuesday the Roadrunners received a goal and an assist from sophomore Sean McDevitt and a goal from Shane Feriod to secure the win. Goalkeeper David Shirley stopped 11 shots on goal in the contest allowing only one goal. McDevitt and Feriod each now have 5 goals apiece on the season.

On the defensive end, freshman Trevor Jurhing has done a nice job early in the season and looks to be a nice addition to the program. Shirley missed the first two games of the season in net but has proven to be reliable in his last few starts. Sophomore Ryan Hornibrook has also been helpful on the defensive end of the field. The Stockton transfer has also scored one goal and made the assist to Feriod on the game winning goal against Camden CC earlier in the season.
