

The Gloucester County College track and field teams both won the NJCAA Northeast District track & field championships this weekend. This makes back-to-back championships for the women's team and it is the 7th year in a row that at least one of the teams has won a District Championship! Aside from the district titles, the teams came home with 26 national championship qualifying performances, 28 All-District performances, and a new school record in the men's hammer throw.
