**Roadrunner Women Win Districts, Men Second
May 1, 2010 Bergen, NJ**

The Gloucester County College track and field teams competed in the NJCAA Northeast District Championships this weekend at Palisades Park in Bergen County, NJ. The results were a flip-flop of last year's results, with the men's team claiming runner-up honors behind Prince George's CC from Maryland and the women's team earning a championship title!

The men were hampered with a few injuries but still turned in numerous medal winning and season best performances. The Roadrunners knew that Prince Georges would be our stiffest competition and they simply had a better day than we did. Fighting the heat and the competition, the teams were able to finish their final regular season meet with 33 performances that were national championship qualifiers. All-District performances by the men were turned in by Ali Ejaz (400m), Andre Thompson (800m), Ozzie Huerta (1500m, 10,000m), Ryan Huff (Steeplechase, 5000m), Greg Taylor (400m IH), Shehab Uddin (Long Jump) and Chris Johnston (Javelin).

The Roadrunners at the District Championships

The women turned a perfect weekend into a championship. After finishing 2nd last season, the women were on a mission to reclaim the district title. The women were determined enough to win and pushed their bodies to their limits to achieve a dominant victory over Queensborough CC from New York. All-District performances were turned in by Amanda Dole (5000m, Steeplechase, 10000m, 4x800m), Tracy Dobkowski (5000m, Steeplechase, 10000m, 4x800m), Alyssa Figueroa (100 hurdles, 4x100m, Pole Vault), Francesca Contino (100 hurdles, 4x100m, 4x800m), Abbi Majekodunmi (4x100m, Javelin), Angela Beverly (Shot Put, Hammer), Elaina Unger (4x100m) and Lauren Zauzig (4x800m).

Both teams travel to the NJCAA National Championships this week at Howard CC in Columbia, MD.
