Track & Field Season Opener/Preview

March 6, 2010 Salisbury, MD

The Gloucester County College Track and Field teams opened up their outdoor track season this weekend at the Salisbury University Sea Gull Opener. The Roadrunners faced chilly temperatures but had several hot performances. The team had 8 performances that were qualifiers for the NJCAA National Championships.

Some of the highlights of the meet included a 2nd place finish in the javelin for both the men and women with Chris Johnston and Abby Majekodumni both getting national qualifiers. The men's 400m hurdle event was dominated by GCC with a gold medal performance and a 3rd place finish by Greg Taylor and Ali Ejaz respectively, also getting national qualifiers. The men's 4x400m relay team finished off the meet in grand style with a hard fought battle that ended in another gold medal performance with a win and national qualifier by the team of Greg Taylor, Ali Ejaz, Willie Anderson and Brian Keene.

2009 Javelin National Champion Chris Johnston began the new season on Saturday

In the team scoring, GCC was the top junior college team with respectable finishes for only having 2/3 of the team attending the first meet. The men finished in 4th and the women in 6th at the 9 team invitational.

Men's Outdoor Track and Field Preview

The 2010 Gloucester County College Men's track and field team is looking to improve greatly upon their 7th place National finish last season. The men enter the season with the largest team in recent history and are poised to repeat as Northeast District Champions. The Roadrunners are a well balanced team with strengths in almost every event. The team returns seven performers with national championship experience, including national javelin champion Chris Johnston and national third place 800m runner Andre Thompson. Newcomers on the team look to make a huge impact in the throws, sprints, distance and relay events. With the talented freshman class, and the leadership of the returning sophomores, the GCC Roadrunners are in their best shape ever to content for the NJCAA National Championship.

The Men's track and field team has won 4 of the last 5 NJCAA Northeast District Championships. The team has had 20 All-Americans and 8 national champions.

Women's Outdoor Track and Field Preview

The 2010 Gloucester County College Women's track and field team is looking to improve upon their 4th place National finish last season. The women enter the season with the largest team in recent history and are poised to regain the Northeast District Championship after finishing 3rd last season. The Roadrunners return two performers with national championship experience, including Elaina Unger and Tracy Dobkowski who had national third place finishes in the 10,000m and the 3000m steeplechase.

Newcomers on the team look to make a huge impact in the throws, sprints, distance and pole vault events. With the talented freshman class, and the leadership of the returning sophomores, the GCC Roadrunners should continue to be a force to reckon with at the NJCAA National Championship.

The Women's track and field team has won 3 of the last 5 NJCAA Northeast District Championships. The team has had 20 All-Americans and 5 national champions.
