**Track & Field at Widener Invitational
April 17, 2010 Chester, PA**

The Gloucester County College Track and Field teams participated in the Widener Invitational this past weekend. The teams competed against stiff competition and returned with 18 performances that qualified individuals for the NJCAA National Championships and one new school record. A 14 year old school record in the men's 10,000m run was broken by Ozzie Huerta (Kingsway) with his 3rd place finish in 32:02. His time is also a NJCAA Division III leading performance. Chris Johnston (Triton) also claimed a NJCAA Division III leading performance with his 5th place javelin throw of 181' 7".

The Roadrunners will travel to the Lions Invitational next weekend at The College of New Jersey. The team is preparing to make a strong showing at the upcoming NJCAA District and National Championship meets.
