Roadrunner Women Win National Pre-Season Tournament
September 14, 2008
Bel Aire, MD.

The Harford National Invitation Tournament annually brings together eight area junior college teams and is way to measure the talent of your team early in the season. If this is any indication, the women's team at GCC could be headed for one of its most successful seasons. Freshman Ali Crozier (Delsea HS/Franklinville) clinched the tournament title for the GCC

Roadrunners by claiming the title at 5th singles with a 6-0, 6-1 win over Hannah Koski from CC of Rhode Island at the sun drenched courts of Harford Community College in Bel Aire, MD.

Overall the Roadrunners captured four titles on its way to 17 points and the team title. All of the title winners were freshman, as the GCC roster boasts only one sophomore this season. Other winners for GCC were Sara Wilkins (Williamstown HS/Williamstown) at the fourth singles flight as well as the teams of Sade Van Wijk (Rietveld Lyceum (Holland)/Sewell) and Lindsay Paulson (Williamstown HS/Williamstown) at second doubles and Kristen Abdallah (Washington Twp./Sewell) and Jocelyn Jengihino (Williamstown HS/Williamstown) at third doubles.
